

REAR PROJECTION SCREENS

100", 120"

TACTICAL RETAIL MARKETING SOLUTION

- Designed to work over hallways
- The image is visible from both sides
- Excellent for tactical retail marketing
- Optical screen material reflects the light horizontally and blocks vertical reflections
- Screen surface is laminated on lightweight transparent acrylic material

Screen size, inches	Standard lens maximum distance, cm	Standard lens minimum distance, cm	Special lens minimum distance, cm
100"	495	332	111
120"	595	399	133
