

FRONT PROJECTION SCREENS

80", 100", 120"

TACTICAL RETAIL MARKETING SOLUTION

- Designed to work behind the cash register and other bright retail spaces
- Excellent for point of sale marketing
- Optical screen material reflects the light horizontally and blocks vertical reflections
- Screen surface is laminated on lightweight aluminium composite material

Screen size, inches	Standard lens maximum distance, cm	Standard lens minimum distance, cm	Special lens minimum distance, cm
80"	396	266	89
